

S.O.R. Training Center

CLEET Phase 4 “Basic Firearms Training”

REQUIREMENTS OF THE COURSE

MMPI or CPI:

A personality profile **MUST** be completed successfully **BEFORE** the first (1st) day of the class. You may use any psychologist you wish as long as they use the proper CLEET form. The following are clinics we recommend as they usually test and evaluate you on the same day or near to that.

Dr. Karen Baumann - \$65.00
1117 Northwest 50th Street
Oklahoma City, Oklahoma 73118
405/842-4435

EQUIPMENT:

Each student must have the following equipment in order to complete the Phase 4 course:

- A semi-automatic pistol (9mm to .45 cal) or a six (6) shot revolver, .38 cal., barrel length recommended 2-4 inches (6 in. is accepted)
- One holster, with a retention strap of some kind, that fits your handgun. Holster **MUST** be affixed to a belt of some kind. Paddle holsters are not acceptable.
- At least three (3) magazines for a Semi-automatic or two (2) speed-loaders that fit your revolver and a speed-loader pouch, however, the speed-loader will hang on the belt once it's filled with bullets.
- One belt to hold all of the above equipment in place around your waist, even if it's just a pants belt.
- Baseball cap to be worn only on the Firing Range.
- Students must provide their own eye protection.

Weapons By The Following Manufacturers Are Not Allowed On Our Range:
