## **“TUITION DISCOUNT PROGRAM”**

**The cost and availability of security training often hampers development of skills, preventing Security Professionals from having the advanced training needed in their chosen profession.**

**SOR has developed thirty-two (32) different courses covering a complete spectrum of security and investigation classes, which range from Self Defense to Advanced Investigations.**

**In an effort to reduce tuition costs, SOR has developed a Special Tuition Discount Program, which allows students to receive a six (6) month, fifty percent (50%) reduction on all non-CLEET SOR courses. This includes all four (4), eight (8), and three (3) day seminars.**

**The rules are simple:**

- To enter the program you must pay a one-time fee of fifty dollars (\$50.00). Students may attend any non-CLEET course they desire for six (6) months from the date of program registration.**
- The tuition discounts cannot be given away or transferred to another individual.**
- You must present your membership card and pay the reduced fee at time of registration.**

***If you are interested in this tuition program contact the SOR office and sign-up today.***
